Pop Warner Little Scholars, Inc. (PWLS) is the oldest and largest youth football and spirit organization in the United States. What makes PWLS unique among other youth sports organizations is its requirements for participants to maintain satisfactory progress in their academic studies. Our goal is to build sound minds and bodies for our leaders of tomorrow.

Because the above named participant has not met the PWLS scholastic standards, a **bi-weekly/bi-game** progress report will be required; beginning **Game 2**, for a total of three (3) reports from the child's learning institution. An original signed form **must** be provided to the head coach. **NO COPIES WILL BE ACCEPTED.** You will be unable to participate in the game of the specified week unless your weekly progress report shows satisfactory progress for that specified period. At the end of the six (6) game period, if the child has maintained at least two (2) reports of satisfactory progress, he/she will become certified for the remainder of the playing season. If unsatisfactory progress is reflected on any one of these reports or the child does not receive a progress report for a week, he/she will be ineligible to participate in that week's game. If the child does not have satisfactory progress for at least two (2) of the three periods, he/she will be removed from the National Roster and will not be eligible to participate in any remaining games.

As the above named participant has not met the Pop Warner Little Scholars (PWLS) scholastic requirements of a minimum GPA of 70% or higher, we, the undersigned, agree to the terms shown above as a condition to being placed on the National Roster.
